Public Speakers

The public is requested to dial *9, when prompted by the presiding officer, to address the Board on any agenda item before the Board takes an action on an item. The Council shall provide an opportunity for the public to address the Council on each agenda item before or during the Council's consideration of the item. A member of the public wishing to speak on only one agenda item that is eligible for public comment shall be given an opportunity to speak for up to one minute when that item is considered by Council, or, at the discretion of the Presiding Officer, before consideration of the item.

Members of the public wishing to speak on more than one agenda item at a single meeting shall combine and present their comments addressing the agenda items at or near the beginning of the meeting during a segment called "Multiple Agenda Item Comment." A member of the public speaking on more than one agenda item shall be allowed to speak for up to one minute per item up to a total of three minutes per meeting. This will be the only opportunity to speak, other than during General Public Comment, for those members of the public who have submitted speaker cards on more than one agenda item. Comments from the public on other matters, not appearing on the agenda but within the Board's subject matter jurisdiction, will be heard during the General Public Comment period and shall be limited to 2 minutes.
